The creator the caretaker the guardian and the destroyer of the intelligence, of the existence, of the sciences, of the people, of the souls, of the galaxies, etc, eternal invisible, ILIS INIS GSEIS, the living invisible body infinite, eternity, love, truth, understanding, peace, respect, equality, unity, order, justice, reality, the book Eternal Order, ESGSEIS video codes, and the language of the infinity, are air, water, food, vitamins, energies, treatment, etc, for souls, and they are necessities and obligations for all persons creatures etc. Many stories, ideas, lies, alphabets, languages, persons, gods, souls, creatures, foods, substances, etc, poison and kill the souls, persons, peace, love, justice, respect, order, understanding, unity, equality, eternity, truth, existence, infinity, etc. Happily, the creator, caretaker, guardian and destroyer of intelligence, existence, science, technology, people, souls, galaxies, etc, eternally invisible, ILIS INIS GSEIS, resurrects them again. If they kills them, they will be resurrected by the creator anyway. Be very careful, not to lose, not to confuse, or not to kill, the creator, souls, peace, love, justice, respect, order, understanding, unity,

Without these codes and information, we were Anticreator Antietc. If we study and understand these codes and information, we become Procreator Proetc. People are only translators of sciences, information, etc, created by invisible creatures. Persons are not the creators of the intelligence, sciences, etc. What they have inside is important. Souls or other invisible creatures. The most important creatures from existence are: 1 ILIS INIS GSEIS, 2 The infinite living invisible body, 3 the rest of the creatures and species. Incredible. Since the year 2011, you have been deceived, tortured, misinformed, humiliated, brought to your knees, robbed, separated, and killed, knowingly and online. These people really have the courage to say, write, transmit, etc, that the creator taught them to do so, or he is the author and accomplice. These people have convinced you that it is culture, art, tradition, religion, and policy, that we should all be deceived, tortured, misinformed, humiliated, kneeled down, robbed, separated, and killed, knowingly and online. Wake up everyone, and destroy everything that is Anti-Truth, Anti-Creator, Anti-Peace, Anti-Information, Anti-Love, Anti-Eternity, Anti-Justice, Anti-Equality, Anti-Unity, Anti-Understanding, Anti-Persons, Anti-Souls, Anti-etc. Or the apocalypse knows about us. Devils, telepathic magicians, etc, were to convince the creator through telepathy, threats, etc, that he is a tyrant, murderer, fool, liar, thief, crook, misinformed, swindler, ruthless, racist, terrorist, warlike, scandalous, unjust, etc, as written in the Bible, Quran, etc. Unbelievable but true. Please stop making fun of the creator. He is also a creature like us. It must be respected. All the gods, souls, persons, creatures, species, etc, from all past infinite space, and from all future infinite space, were, are, and will be obliged to install all gods, souls, persons, creatures, species, etc, from all past infinite space, and from all future infinite space, with the alphabet and the language of the infinity, the book Eternal Order, the ESGSEIS video codes, the name of the creator, truth, eternity, love, understanding, peace, respect, equality, unity, order, justice, reality, etc. No one should not, should not and will not have to install nobody with wars, lies, robberies, death, stupidity, alcohol, drugs, secrets, unknown, misinformation, etc. Telepathy of the true eternal invisible creator ILIS INIS GSEIS.
